The Pro-Tech™ Drain Lock is a tamper-proof solution to keep scrap, debris, and trash out of the drains and pipes. Pro-Tech Drain Locks are manufactured with high impact polymers designed to withstand caustic cleaning solutions, and hot fluids up to 250° F and ships with a tamper-proof stainless-steel security hex head bolt. Each Drain Lock is self-contained and easily installs into commercial floor sinks, mop basin sink drains, and other drain openings.
